

Path Menu

Here you can change the path you're viewing, create a new path, or a what-if path.

Past Courses

Go to Past Courses to view current and past enrollments as well as posted transfer credits.

Path Actions

Go to Path Actions to schedule, verify, print, edit, copy, reset, or delete your path.

Notifications

Go to Notifications to view warnings that need to be resolved and changes that have been made to your path.

The screenshot shows the Panther Degree Pathway interface. At the top, there's a navigation bar with icons for a clock, heart, home, checkmark, and menu. Below this, the 'Degree Planner' section shows 'Finance - BBA (Primary)' selected. To the right, there are buttons for 'Path Actions', a three-dot menu, and a notification bell with a '2' badge. Below the navigation bar, the 'Past Courses' section is highlighted with a blue line. It shows a total of 48 'All Courses', with 31 'Pass' (green square) and 5 'Repeated' (orange square). Below this, there are buttons for 'Expand / Collapse', 'Hide Empty Terms' (with a '17' badge), 'Preview Plan', and 'Mass Edit Max Units'. A section for 'Unplanned Requirements - 1' is also visible. Below that, a table lists requirements with columns for 'REQUIREMENT', 'COURSE', 'COURSE TITLE', and 'UNITS'. The first row shows 'Civics Test Requirement [RQ5988/LN40]' with a course of '-' and units of '0'. To the right of the table are a lock icon, a '+ Select Term' button, and a three-dot menu. At the bottom, the 'Term Panel' shows 'Spring Term 2026' as the 'Current' term. To the right, there are progress indicators for '6/6 Courses' and '18/18 Units'. On the far right, there's a 'Max Units: 15' display with an edit icon and a three-dot menu.

Term Panel

Select a term card to manage courses for that term.

Term Stats

Here you can see the progress you've made planning for a term. You can also edit the units planned for the term.

Term Actions

Term actions allow you to view or enter notes at the term level, as well as be able to validate courses in the term, for those that have validation enabled in Application Settings.

Requirement Block

It's a requirement card. You need to select a course for this requirement.

Term Panel

Select a term card to manage courses for that term.

Path Actions

Go to Path Actions to schedule, verify, print, edit, copy, reset, or delete your path.

Notifications

Go to Notifications to view warnings that need to be resolved and changes that have been made to your path.

Requirement Options

It's a More Options button. Here you can view notes, move, lock and remove a requirement.

The screenshot displays the Panther Degree Pathway interface. At the top, there's a navigation bar with icons for a clock, heart, home, and menu. Below this, the 'Degree Planner' section shows 'Finance - BBA (Primary)' as the selected degree. There are buttons for 'Expand / Collapse' and 'Hide Empty Terms' (with a count of 17). On the right, there are 'Path Actions' and 'Notifications' (with a count of 2) buttons, along with 'Preview Plan' and 'Mass Edit Max Units' buttons.

The main content area is a table with columns: REQUIREMENT, COURSE, COURSE TITLE, and UNITS. The first row shows a 'Civics Test Requirement [RQ5988/LN40]' with 0 units. Below this, a 'Spring Term 2026' term card is selected, showing '6/6 Courses' and '18/18 Units'. The table lists several requirements and their corresponding courses, all of which are 'ENROLLED'.

REQUIREMENT	COURSE	COURSE TITLE	UNITS	STATUS	ACTIONS
Civics Test Requirement [RQ5988/LN40]	-	-	0	-	+ Select Term
<div> <div>Spring Term 2026</div> <div>Current</div> <div>6/6 Courses</div> <div>18/18 Units</div> <div>Max Units: 15</div> </div>
