

How to create an account for Firsthand:

From the school's landing page, click on GET STARTED:

You can either use your LinkedIn account to create a Firsthand account or click the No account yet? register now:

A screenshot of a login and registration form. At the top, it says "Tell us about your career goals to get started." Below this is a blue button with the LinkedIn logo and the text "Continue with LinkedIn". Underneath is the word "or" centered between two horizontal lines. Below the lines are two input fields: "Email Address" with the placeholder text "Type your e-mail" and "Password" with the placeholder text "Type your password". Both input fields have a small icon of three dots and the number "2" on the right side. Below the input fields is a large green button with the white text "Log In". At the bottom of the form, there are two links: "No password yet? / Forgot Password?" and "No account yet? Register now.".

If using the Register Now option, the next landing page you will enter your email address and click SUBMIT

Let's find your next best step

Join a community of students, schools and employers to find internships, recruit top students and engage students like never before.

Please provide your email address

I work for a company, either in HR or recruiting.

I work for an educational institution, such as Career Services, Alumni Relations, or Admissions.
