Parent and Family Networker - Parkview Hall Multipurpose Room

This is a great opportunity for parents and family members to interact with members of the FIU community, show your Panther Pride, and celebrate your student! Enjoy interactive novelties like a caricature drawing and light refreshments! This event is co-sponsored by Housing & Residential Life and Veteran and Military Affairs.

Academic Classroom Simulation - Parking Garage 5, Room 155, MMC

Ever wonder if the college classrooms you see in movies are accurate depictions? We've all seen the large auditoriums, the professor lecturing from a podium, while students sit behind their little lap desks staring at their laptops and phones. At FIU, we offer students a different kind of classroom experience, one you don't often see in the movies. Join us for a tour of one of our many active learning classrooms and hear about how these innovative spaces facilitate meaningful learning experiences for students.

SESSION/EVENT DESCRIPTIONS

"You Joined A What?" | Fraternity & Sorority Life (FSL) 101

Come learn about how your student can be engaged at FIU through the fraternity and sorority experience. We will debunk the myths, explain membership expectations, and help you understand the resources associated with this development experience.

Operation Gratitude

The mission of Operation Gratitude is to honor the service of Military and First Responders by creating opportunities to express gratitude. Founded after 9-11, you can give back to this organization by participating in creating paracord bracelets and writing letters to those who serve to express their gratitude!
