IV. New Business

- a. Chair Martinez encouraged committee members to prioritize time-sensitive materials on the agenda, and organized our agenda in that structure,
- b. Chair Martinez first goes over the appropriations request submitted by the Nursing department regarding a pinning ceremony,
- c. Chair Martinez points out that this request has a number of steps before it passes entirely as a bill, and due to the date of this meeting during thanksgiving break, it is likely it won't pass and complete all the steps before the event occurs,
- d. Chair Martinez then opens the floor to discussion for the members of committee on the pinning ceremony request,
- e. Vice Chair Mancuso offers that we return the screen share to the request itself as it was on the document submitted with the request explaining the full cost of the request,
- f. Senator Vogel stated that the \$3000 was being used to simply cover expenses rather than a specific purpose,
- g. Vice Chair Mancuso stated that it is unclear whether or not this was the best way to spend \$3000 for the student body.
- h. Senator Vogel motions to go into a roll call vote for the pinning ceremony request in the full amount of \$3,000,
- i. The motion passes:

- c. The next item on the agenda is the ASBO bill regarding the power of the budget committee,
- d. Senator Vogel motions to do a short reading of the bill, just reading the title,
- e. Chair Martinez asks the committee if they would like to discuss the bill or read what exactly the changes are to be made,

- g. Senator Vogel proposes that we table this item since it cannot take effect until next year anyways,
