For this meeting we will address the following points:

1. Meet with Allen Varela, Coordinator of Academic Support Services for The Honors College and UndergradResearch FIU 2020 (URFIU 2020) members
 - a. Discuss a a joint event where all students can see what their peers are doing
 - b. GSAW?
 - c. Maryam explains GSAW and the agenda shared
 - d. Allen found that students want to do research but feel intimidated because of lack of experience or not aware of the first steps to conduct their own independent project.
 - e. Undergraduate research aligned it to the national framework initially
 - f. Graduate students could judge undergrads
 - g. Different categories determined by grad students for undergrad
 - h. FIU is trying to create an identity for undergraduate who create research
 - i. Honors college is not interested in doing the poster presentations the same day
 - j. Undergrad Conference in March 24
 - k. Social event that brings grad and undergraduate together
 - l. Undergrads can be volunteers

2. Open discussion

Meeting adjourned at
