

Student Body Senate
Florida International University
Miami, Florida

S.B. 01 006

Creation of the Registered Student Organization Council (RSOC) Agency of the Student Government Association

IN THE SENATE

APRIL 5, 2021

Graduate Senator Sandro Alvarez and Business Senator Nicholas Pastrana introduced the following Bill which was presented on the Senate Floor

A BILL

To establish the Registered Student Organization Council as an Agency of the Student Government Association

Be it enacted by the Senate of the Student Body at Florida International University assembled,

A handwritten signature in black ink that reads "S. Alvarez". The signature is written in a cursive style with a horizontal line underneath the name.

Sandro Alvarez

A handwritten signature in black ink that reads "NP". The signature is written in a cursive style with a horizontal line underneath the initials.

Nicholas Pastrana

Whereas, According to SGAC§9.01.2 “Agencies shall be student organizations whom have their creation, purpose, structure, and constitution approved by the Student Government Association. Agencies shall serve as bodies over their respective domains of focus, beholden to the Student Government Association Constitution, Statutes, and their individual internal rules. Agencies shall serve the University Student Body in a specified general capacity”

Whereas, The Registered Student Organization Council, also known as RSOC, is a Student Organization that serves the Student Body as a whole for the general purpose of registration, development, and funding for undergraduate and graduate student organizations. The Registered Student Organization Council governs and represents these entities, ranging from honor societies, engineering, business, and cultural organizations to name a few. The Council supplements academic studies by introducing to the student body these organizations to become more involved at the University

Whereas, The Registered Student Organization Council has submitted all documents necessary and proper for their formation as an Agency in the Student Government Association

Whereas, The Registered Student Organization Council serves the Student Body in this capacity currently and has demonstrated an exceptional commitment to the Student Body of Florida International University and Student leadership

Whereas, The Student Government Association and the Student Body as a whole gain an extreme benefit from this organization and its continued existence

Whereas, The organization has submitted documentation detailing their intent to join the Student Government Association as an Agency

Now Therefore, The Senate of the Student Body does hereby recognize the Registered Student Organization Council as a unit of the Student Government Association and does hereby confer the status of Agency to the Registered Student Organization Council from this point forward.

Senate Bill Transmission Form
