Alexander Sutton

Whereas, According to SGAC§9.01.2 “Agencies shall be student organizations whom have their creation, purpose, structure, and constitution approved by the Student Government Association. Agencies shall serve as bodies over their respective domains of focus, beholden to the Student Government Association Constitution, Statutes, and their individual internal rules. Agencies shall serve the University Student Body in a specified general capacity”

Whereas, The Panther Power is a Student Organization that serves the Student Body as a whole for the general purpose of promoting affinity and pride for FIU’s athletic teams.

Whereas, The Panther Power will merge with Panther Posse, FIU’s official student spirit organization at MMC

Whereas, The Panther Power has submitted all documents necessary and proper for their formation as an Agency in the Student Government Association

Whereas, The Panther Power serves the Student Body in this capacity currently and has demonstrated an exceptional commitment to the Student Body of Florida International University and Student leadership

Whereas, The Student Government Association and the Student Body as a whole gain an extreme benefit from this organization and its continued existence

Whereas, The organization has submitted documentation detailing their intent to join the Student Government Association as an Agency

Now Therefore, The Senate of the Student Body does hereby recognize the Panther Power as a unit of the Student Government Association and does hereby confer the status of Agency to the organization from this point forward.
