S.B. 02 002

A Bill to Appropriate \$2,500 for shirts at Upsilon Pi Epsilon's annual Shell Hacks event

IN THE SENATE

September 14, 2021

Appropriations Chair Alexander Sutton, Lower Division Senator Zoilo Batista, Comptroller Giacomo Natteri, and Senate Floor Leader Cristhofer Lugo, introduced the following Bill which was presented on the Senate Floor,

A BILL

To Appropriate \$2,500.00 to *Upsilon Pi Epsilon* for its Shell Hacks event on September 24th through the 26th, to be spent on shirts promoting FIU and the Shell Hacks event, which will be provided to all students in attendance.

Be it enacted by the Senate of the Student Body at Florida International University assembled,

Cris Lugo

Giacomo Natteri

Zoilo Batista

Alexander Sutton

Whereas, Upsilon Pi Epsilon (UPE) is the largest student organization for technology at Florida International University;

Whereas, their mission is to provide students with the opportunities to develop technically and professionally; to do so, they aim to build a community where any student, no matter the major or skill level, can learn and develop with technology;

Whereas, Shellhacks is an event hosted by UPE; it is Florida's largest hackathon; it is open to all students with the interest of coming to learn the latest technologies, build innovative projects, and showcase their talents regardless of majors;

Whereas, Shellhacks brings major sponsorship to Florida International University such as but not limited to Google, Microsoft, and Nike;

Whereas, Shellhacks will be held virtually this year due to pandemic;

Whereas, the funds appropriated in this bill will be used for shirts promoting FIU and the Shell Hacks event, which will be provided to all students in attendance;

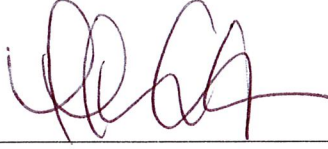

Whereas, among the many expenses Shell Hacks will be paying for this year, Shell Hacks will be providing 1,100 shirts to all students in attendance at the event, which will "market FIU and Shell Hacks," and which will cost a total of \$6,875.00, of which SGA will be covering \$2,500.00;

Whereas, the shirts will feature the logos of all sponsors of Shell Hacks on the back of the shirt, including the SGA logo, because of the fact that SGA is a sponsor of Shell Hacks insofar as it is assisting in paying for these shirts;

Now Therefore, The Senate of the Student Body does resolve to expend \$2,500.00 from the Legislative Line Item of the Student Government Organization to Upsilon Pi Epsilon for the purpose of shirts at the Shell Hacks event, as mentioned above.

Senate Bill Transmission Form

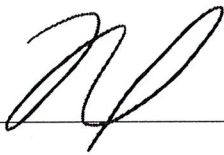

This Bill is presented by the Senate of the Student Body at Florida International University presiding in its second session in the year 2021. It is presented by the Senate President Pro-Tempore and affixed with the signature of the Senate President. Both the Senate President and the Senate President Pro-Tempore affirm that the information presented below is accurate and that the bill has successfully passed in the Senate of the Student Body. The bill is presented on this day and this hour for signature or veto.
