Florida International University
Miami, Florida

S.B. 02 007

Creation of the Student Programming Council Agency of the Student Government Association

IN THE SENATE

March 14, 2022

Senators Jacob Bharat and Natalie Meneses introduced the following bill, which was presented on the Senate floor:

A BILL

To establish the Student Programming Council as an Agency of the Student Government Association

Be it enacted by the Senate of the Student Body at Florida International University assembled,

Jacob Bharat

Jacob Bharat

Natalie Meneses

Natalie Meneses

Whereas, According to SGAC§9.01.2 “Agencies shall be student organizations whom have their creation, purpose, structure, and constitution approved by the Student Government Association. Agencies shall serve as bodies over their respective domains of focus, beholden to the Student Government Association Constitution, Statutes, and their individual internal rules. Agencies shall serve the University Student Body in a specified general capacity.”

Whereas, The Student Programming Council is a Student Organization that serves the Student Body as a whole for the general purpose of providing programming support for the student body and executing affinity programming.

Whereas, The Student Programming Council has submitted all documents necessary and proper for their formation as an Agency in the Student Government Association

Whereas, The Student Programming Council serves the Student Body in this capacity currently and has demonstrated an exceptional commitment to the Student Body of Florida International University and Student leadership

Whereas, The Student Government Association and the Student Body as a whole gain an extreme benefit from this organization and its continued existence

Whereas, The organization has submitted documentation detailing their intent to join the Student Government Association as an Agency

Now Therefore, The Senate of the Student Body does hereby recognize the Student Programming Council as a unit of the Student Government Association and does hereby confer the status of Agency to the Student Programming Council from this point forward.

Senate Bill Transmission Form

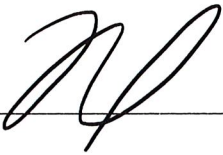

This Bill is presented by the Senate of the Student Body at Florida International University presiding in its second session in the year 2022. It is presented by the Senate President Pro-Tempore and affixed with the signature of the Senate President.
