Whereas, WiTCON is a conference hosted by WiCS in tandem with WiCYS, INIT FIU, and Blockchain; it is open to all FIU students interested in advancing career goals within the tech field and interacting with a diverse, talented group of women technologists to develop further career connections and conversations with other like-minded students,

Whereas, WiTCON will be held at the FIU Modesto A. Maidique Campus at PG6 on March 24th from 9am-7pm,

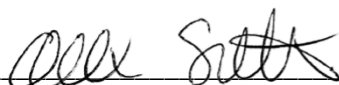

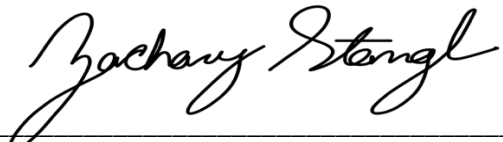

Whereas, the funds appropriated in this bill will be used to partly fund catering,
