In Support of the American Society of Civil Engineers attending the 2017 ASCE South Eastern Conference

WHEREAS, Florida International University's vision is to lead a student-centered urban public research university that is both locally and globally engaged;

WHEREAS, The Student Government Council at Modesto A. Maidique campus is committed to provide and improve the overall student experience by fostering student life, encouraging community involvement, and embracing diversity;

WHEREAS, The American Society of Civil Engineers is committed as a student chapter is to engage in the modern world of civil engineering and all that it encompasses: working for the public good through innovation and networking. They get Civil Engineering students involved with their career path before graduation. Many of our activities embrace the engineering field, offering a hands-on experience for students. They encourage our members to network with their fellow classmates and professionals by creating events and providing job/internship opportunities .

WHEREAS, This event will help establish FIU's vision and mission by showing what we as students learn, collaborate, and innovata through research to advance the technologies and processes for the future;
