IV. New Business

1. Multiple students attempted to apply for candidate roles but were unable to due to technical difficulties. It was not their fault that they were unable to apply; it was due to an IT issue. Other students were still able to apply it was only 3 students having this issue. The board needs to decide if we extend applications so these individuals can apply.
2. Board members agreed that 1-2 days should be given so they can resubmit through the portal.

Melanie Montes: Opens a voting session to determine if applications should be accepted for the three students who were experiencing technical difficulties for 24 hours after the fate of opening.
