ADDITIONAL GRADUATION REQUIREMENTS

GLOBAL LEARNING (GL) REQUIREMENT

All students must complete two Global Learning (GL) courses. Transfer courses and test credits may not be used to meet this FIU requirement. All Global Learning courses must be taken at FIU. Courses with “GL” designation satisfy the University’s Global Learning requirement. For an updated list of courses and their effective semester, visit <http://goglobal.fiu.edu>

GORDON RULE and GRW REQUIREMENT

Courses in the following areas are considered Gordon Rule: Communication, Mathematics, and courses designated as GRW. A grade of “C” or higher is required in these courses. Students are required to demonstrate college-level writing skills through six semester hours of Gordon Rule Writing-designated courses (GRW). To fulfill this requirement, students can select any two GRW-designated courses and earn a grade of “C” or higher to earn GRW credit.

POSTSECONDARY CIVIC LITERACY (CL) REQUIREMENT

Students must demonstrate understanding of American Civics via completed course work or test credit. This requirement is applicable to freshmen students enrolling for the first time in a Florida State College or University starting Summer 2018 or transfer students starting Fall 2018. Note: Students initially entering a Florida State College or University Summer B 2021 and thereafter must now complete both a course and an exam. AMH 2020 and POS 2041 satisfy the state of Florida’s Civic Literacy Course (CL) requirement if taken Fall 2018 or later. IMPORTANT NOTES

Only these courses meet the University Core Curriculum (UCC) requirements, and all must be taken for a letter grade. Pre-professional (e.g., pre-law, pre-med, etc.) requirements are available at the Exploratory Advising Center [website](#). Students are ultimately responsible for meeting with advisors to discuss academic and career goals, course planning, academic policies and procedures, and opportunities for engagement at the University. Students are encouraged to meet with advisors should they have any questions about the UCC requirements or any of the notes included below.

COMMUNICATION. Placement into ENC 1101 will be based on unweighted high school grade point average (GPA). Meet with your academic advisor to determine if you will be required to take Essay Writing (ENC 1930) prior to enrollment in ENC 1101.

MATHEMATICS. #In accordance with the Common Prerequisite Manual (<https://cpm.flvc.org>), students who successfully complete MAC 2281* (Calc I for Engineering) with a grade of "C" or higher will be deemed to have satisfied Mathematics Group One MAC 2311 and students who successfully complete MAC 2282* (Calc II for Engineering) with a grade of "C" or higher will be deemed to have satisfied Mathematics Group Two MAC 2312.

EXEMPTIONS.

- a) **Transfer Students:** Transfer students with an AA from a Florida public college automatically meet the UCC. All others may be required to complete UCC courses.
- b) **Natural Science:** Transfer students who completed both science courses without labs at another institution prior to admission to FIU will be deemed to have satisfied the Natural Science and lab requirement. Transfer students who completed only one science lecture without a lab will be required to complete a lecture and lab at FIU.
