- C. A player who screens shall not:
 - o When they are outside the visual field of a stationary opponent, take a position closer than a normal step from the opponent.

- When they assume a position at the side or in front of a stationary opponent, make contact with that opponent. If the screen is set within the visual field of a stationary opponent, the screener may be as close to the opponent as the screener desires, short of contact.
 - Take a position so close to a moving opponent that this opponent cannot avoid contact by stopping or changing direction. The speed of the player being screened will determine where the screener may take their stationary position. The position will vary and maybe one to two normal steps or strides from the opponent.
 - After assuming their legal guarding position, move to maintain it, unless they move in the same direction and path of the opponent. When both opponents are moving in exactly the same path, the player behind is responsible if contact is made because the player in front slows up or stops and the player behind overruns their opponent. If the screener violates any of these provisions and contact results, they have committed a personal foul.
- D. The following acts constitute a foul when committed against a ball handler/dribbler:
- Placing two hands on the player.
 - Placing an extended arm bar on the player.
 - Placing and keeping a hand on the dribbler.
 - Contacting the player more than once with the same hand or alternating hands.
 - **Penalty:** Personal Foul, Offender is charged with one foul, and if it is their 5th foul, or if it is flagrant, they are disqualified.
- E. No free throws:
- For each common foul before the bonus rule is in effect
 - For player control or team control fouls
 - For double or simultaneous personal or technical fouls
 - After time has expired in the second half or extra period unless the point(s) would affect the outcome of the game.
 - 1 free throw if fouled in the act of shooting and the try or tap is successful
- F. Bonus free throw:
- For 7th, 8th, and 9th team foul for each half if first free throw is successful
 - Beginning with 10th team foul for each half whether or not the first free throw is made
 - Shoot 2 free throws if intentional or flagrant, plus ball for throw in
- G. Fouled in the act of shooting and the try or tap is unsuccessful:
- 2 free throws on a try or tap for 2 points
 - 3 free throws on a try or tap for 3 points
