

SGA Room Rentals MOU
FY 2026-2027
July 1, 2026 – June 30, 2027

The Student Government Association (SGA) of Florida International University agrees to subsidize room rental reservation fees for spaces reserved at the Student Centers (Graham Center, Wolfe Center) and Central Reservation Office, on a first-come, first-served basis, for recognized student organizations registered in Panther Connect with an “active” status and departmental events which are specified herein. Events need to be ***open to all students*** and must be ***comprised mostly of FIU students*** for the SGA Room Rental Agreement to cover. SGA subsidies for room rental reservations shall not exceed the amount earmarked for such purposes in the SGA University-wide Room Rental Fund.

The room rental subsidy will cover the room and fees associated with a basic room rental package for indoor spaces, which includes the room charge, projectors, laptop, adapters, power strips/extension cords (up to 10), podium with microphone, house lighting, and one panel of navy pipe and drape behind the stage in the GC Middle Ballroom or WUC Ballroom.

This agreement will not cover Media Technology Services (MTS) fees.

The room rental subsidy will cover the rental fee for tables and chairs in outdoor spaces managed by GC, which include the GC Lawns, Betty Chapman Plaza, and Library Breezeway. Tables and chairs for outdoor spaces managed by GC will be provided by GC staff unless the quantity needed is beyond GC inventory. The room rental subsidy will also cover the rental fee for WUC outdoor spaces, which include the Panther Plaza and WUC Loggia. Tables and chairs for outdoor spaces managed by WUC will be provided by WUC staff unless the quantity needed is beyond WUC's inventory. A university-wide service provider will provide tables and chairs beyond the GC and WUC inventory.

Tables and chairs for outdoor spaces managed by CRO will be provided by a university-wide service provider.

Cancellation fees, no-show fees, excessive clean-up fees, Facilities Management fees associated with plants, garbage cans, grounds workers, etc., or any associated fees for damages assessed based on terms and conditions may apply and will not be covered by this agreement. These charges will need to be covered by the organization, agency, bureau, council, club, or department funds accordingly.
